3rd Open Symposium

From Challenges to Solutions

December 1 - 3 • 2010 • Hesperia Tower Hotel
Barcelona • Spain

FIRST ANNOUNCEMENT - CALL FOR SPEAKERS/POSTERS

Over 400 participants contributed to the success of the 2nd EBF Open Symposium in Barcelona. Building further on this event, EBF announces the 3rd Open Symposium. The meeting will be held in Barcelona at the Hesperia Tower Conference Center from the 1st – 3rd December 2010.

The theme of the 3rd open Symposium is "From Challenges to Solutions". We anticipate a versatile and diverse program which combines regulated bioanalysis themes (including updates and discussions on the Global Harmonization initiative) with technological and scientific developments for small and large molecule bioanalysis. Plenary lectures as well as breakout sessions/workshops are scheduled to cover these topics.

The draft program can be found on our website subdirectory (tab: 'program'):

ORAL PRESENTATIONS

Again this year, EBF welcomes stimulating speakers to the symposium.

Potential speakers, please submit your contribution to BCN2010@europeanbioanalysisforum.eu

- title of your presentation (**before September 30th 2010**).
- abstract (250 words) (**before October 30th 2009**).

Please identify the session in which you plan to contribute. Depending on the topic, your presentation may be assigned to the plenary lectures or to a breakout session/workshop.

POSTERS

The EBF would also like to invite registrations for posters.

Please submit potential poster details to the following e-mail address contact@bioanalysis-forum.com

- title of your poster, including details of authors, company/organisation (**before September 30th 2009**).
