

30 November 2010

14:00 - 20:00 - Registration and Information Desk Open

Day 1 - 1 December 2010

07:00 - 18:00 - Registration and Information Desk Open

08:30 - 08:40 - **Welcome and opening remarks**
MORNING PLENARY SESSIONS

08:40 - 10:00 - **Bioanalysis**
Thinking Outside the "Commodity" Box

08:40 - 09:00 - Ian Wilson (AstraZeneca) p. 7
What You Can't See Can Hurt You: Looking at Bioanalysis by LC-MS From the Outside

09:00 - 09:20 - John Pugh (University of Sheffield) p. 7
Elemental imaging via LA-ICP-MS – New opportunities in the life sciences

09:20 - 09:40 - Robert Plumb (Waters) p. 8
High Sensitivity Analysis of Biotherapeutics Using Capillary LC

09:40 - 10:00 - Martyn Hemsley (Covance) p. 9
Considerations and Experiences in Developing Bioanalytical Assays for the Quantitative Determination of Oligonucleotides

10:00 - 10:30 - Coffee Break

10:30 - 12:30 - **Practical Solutions to Bioanalytical Challenges : Blood - the original bioanalytical matrix ?**

10:30 - 11:00 - Keynote Speaker : Albert Wolthuis (KCL) p. 9
The Blood Matrix: A Dynamic Mirror

11:00 - 11:20 - Achiel Van Peer (Janssen Research and Development) p. 10
Blood and Plasma : A Magic Twin or Single in Human Pharmacokinetics ?

11:20 - 11:35 - John Perkins (Advion BioServices) p. 10
Long Term Stability Issues Observed during Validation of an LC-MS/MS assay for Clopidogrel and Metabolites

11:35 - 11:50 - Ronald de Vries (Janssen Research and Development) p. 11
Analyte Instability Issues in Blood

11:50 - 12:10 - Achim Freisleben (Merck-Serono for EBF) p. 12
EBF Current Thinking on the Conduct of Whole Blood Stability

12:10 - 12:30 - Panel Discussion

12:30 - 13:30 - Lunch and poster session

AFTERNOON PLENARY SESSIONS

13:30 - 16:00 - **Towards Global Harmonization**

13:30 - 13:50 - Philip Timmerman (Janssen Research and Development for EBF and GBC) p. 12

GBC-Harmonization Initiative and EBF Perspective

13:50 - 14:10 - Jérôme Barré (afssaps)
EMA Perspective on Global Harmonization

14:10 - 14:30 - Rafael Barrientos (Magabi for ACBio) p. 13
Global Harmonization : South America Overview and Perspective

14:30 - 14:50 - Daniel Tang (Frontage for BBDS and SBDS) p. 13
APAC Perspective on Global Harmonization

14:50 - 15:10 - Mark Arnold (Bristol Meyers Squibb for AAPS) p. 14
AAPS Perspective on Global Harmonization

15:10 - 15:30 - C.T. Viswanathan (FDA/CDER)
FDA Perspective on Global Harmonization

15:30 - 16:00 - Panel Discussion

16:00 - 16:30 - Coffee Break

16:30 - 18:00 - **Platinum Sponsor session I**

16:30 - 17:00 - Gary Harland (Waters) p. 15
Addressing The Challenge of Sensitivity and Metabolite Detection in Bioanalytical Studies

17:00 - 17:30 - Mauro Aiello (AB SCIEX) p. 15
Overcoming the Data Analysis Bottleneck with Next Generation Quantitative Software

17:30 - 18:00 - Pat Bennett (Thermo Scientific) p. 15
Future of the Triple Quadrupole: What is Possible and what is Practical?

18:30 - 20:00 - Conference Reception I
Discover Catalunyan Reds : Enjoy a Few Drinks and Savor Traditional Food During this Great Networking Opportunity

This reception is sponsored by Gyros
